Mission

Jade Teapot welcomes tea lovers, experience seekers, and anyone looking to discover the time-honored tradition of afternoon tea service, or high tea. We believe everyone deserves to experience the best that life has to offer and we at Jade Teapot are proud to offer high quality teas accompanied by traditional Chinese dim sum at affordable prices. Our company promotes an appreciation for Chinese culture, from tea practices to the food. We offer a variety of teas and dim sum to broaden customers palates and we always encourage trying something new.

Values

"A modern twist on a timeless tea experience"

Affordability — Quality tea, at a reasonable price

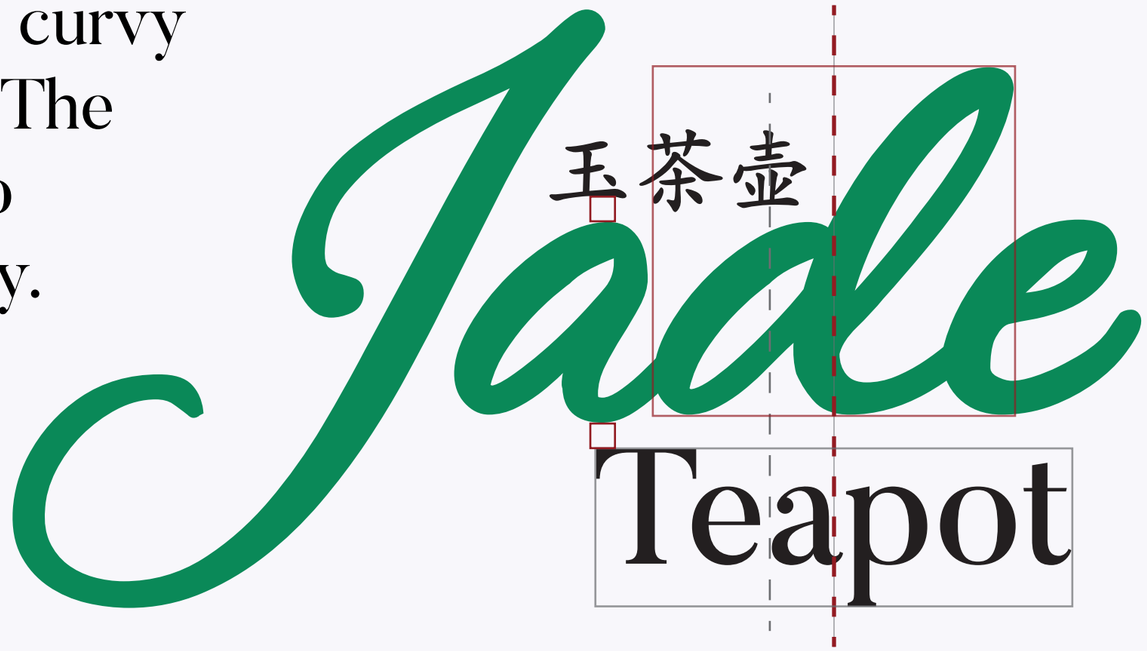
Cultural Appreciation — Sharing and leaning about others

Encouraging Tea Lovers — Promote an appreciation for tea

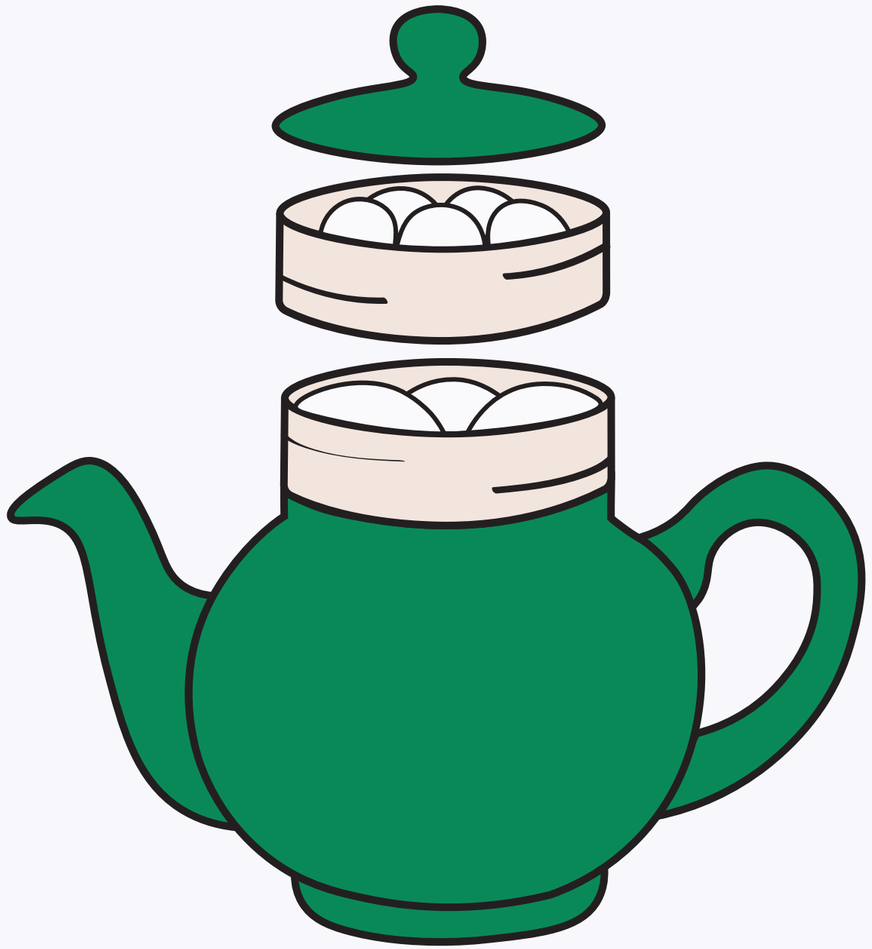
Sustainability — Tea that won't harm the Earth

Primary Logo

Jade Teapot's logo combines a classic curvy font with a more traditional serif font. The Chinese name is featured at the top to connect with the roots of the company.



Teapot is written in the font Butler (Regular) and Jade is in Nuptial Liberty in the signature green. Teapot is centered beneath the 'd' in Jade, and the '壶' is centered above the leftmost part of the 'a' in Teapot. The Chinese letters and 'Teapot' are equidistant from the 'a' in Jade

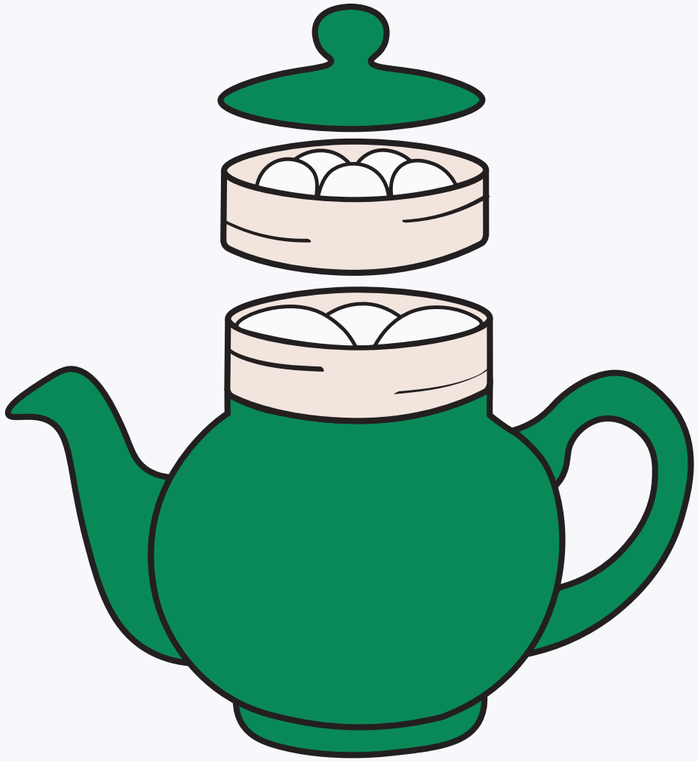


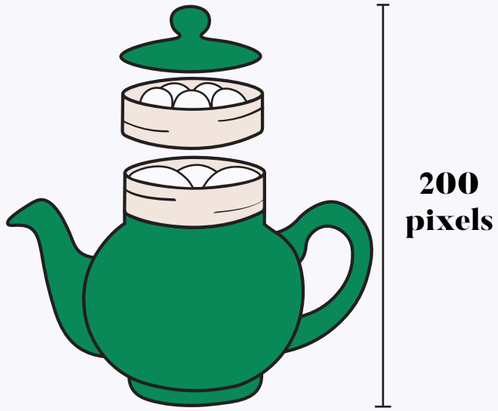
Jade Teapot

Secondary Logo

The secondary logo features a teapot in the signature green. On top there are two steamer baskets filled with buns. This is a representation of the tea and the dim sum all in one. Beneath, the name, written in Butler, should be centered.

Icon





Icon should not be made smaller than 200 pixels tall

Wordmark

Jade Teapot

Logo Usage

Black and White

Logo can be in black and white when the background requires

Logo Misuse

Logo should not be used without proper contrast

Logo color should not be changed to a non approved color.

Jade 玉茶壺 Teapot

Jasmine

Infused Green Tea

Green tea infused with the aroma of jasmine blossoms. A delicate and slightly sweet floral flavor

Sourced from the FuJian Province in China

Preparation:

1. Heat water to boiling (around 175°)
2. Place 2 teaspoons of tea leaves in a vessel
3. Pour 4oz of water directly over leaves
4. Let steep for 30 seconds before pouring through a strainer into your cup
5. For each additional steep, add 5 seconds to brew time

Weight: Date Packaged:
